coaching and clinics for rowers and clubs

Rowing hours in Amsterdam ?

**improve your technique and be surprised
about your new stroke strength**

Rowing lessons in Amsterdam

Improving your sculling technique in Amsterdam is also possible! You can opt for private lessons or visit with a group of two, three or four people. We row in skiffs or double sculls, depending on your experience these will be wider or narrow. We coordinate the program together. Coaching is always with a maximum of four rowers at the same time. Price indication: for four participants 25,- Euro per person per 1 hour 15 minutes. Boat rental and club facilities are 20,- Euro per rower per day. Spending the night (simple) at the rowing club for an extra fee for several days is possible.

Rowing lessons + tour rowing

If you want to come to Amsterdam with a larger group of rowers, you can combine lessons and tour rowing. Spending the night simple for several days and use the facilities of the rowing club for a fee is possible. When bringing your own touring boats, you can start row tours from the club. As an alternative you can rent a wherry or a C-4, C-3 at a few minutes' walk. Interested? Let me know!
